The Association of Malaysian Environment-Behaviour Researchers (AMER), the main organiser, with the co-organisers, ABRA (Association of Behavioural Researchers on Asians/Africans/Arabians) and cE-Bs (Centre for Environment-Behaviour Studies), Faculty of Architecture, Planning & Surveying, Universiti Teknologi MARA, Malaysia, congratulate the many that made this conference possible. In particular the distinguished Keynote Speaker and Special Guest Speaker, International Scientific Committee / Editorial Team, Breakout Chairs, and the paper contributors,

Thank you all !

Foreword

The GameChanger 2021 (#GC2021) initiated in early 2021 is to increase our publications to be contributed by multi-national authors. We believe the initiative would tremendously increase the chances for those publications to be indexed by more reputable indexing bodies, such as Scopus. As such, commencing 2021 only multi-national authored contributions shall be accepted for publications.

Anticipating it could be a daunting task among authors to include other nationals as co-authors from abroad, a list of global potential co-authors was displayed on the conference web. It is hoped that the authors could network, ultimately contributing their papers together.

This 10th Asian Conference on Environment-Behaviour Studies, AcE-Bs2022Cherating, our 37th international conference to be organised, managed to attract an overall total of 69 numbers of abstracts. Out of the total, 3 abstracts were rejected due to non-compliance, while 2 abstracts withdrew.

The #GC2021 initiative seemed to have continuously borne fruits. Of the 64 abstracts approved, authors from 15 countries contributed. All the abstracts were contributed by Malaysians as the first authors. Countries which co-authored with Malaysia involved Indonesia (32 numbers), Saudi Arabia (7), Australia and Turkey (3 each), Iran, Philippines and Thailand (2 each), China, Hong Kong, Japan, Jordan, Oman, UK and USA (1 number each).

The abstracts were finally transformed into 56 approved papers. The papers approved were simply grouped generally under 15 sub-categories, although quite a number could have been easily placed under more than one category. The top three categories in order of popularity involved the following environments: -

Health / Healing Environment (14 papers or 25%), Commercial/Retail/Services Environment (6 papers) and Working Environment (5 papers)

Hopefully this conference will inspire and encourage more researchers to participate in our forthcoming serial conferences.

Thanks again for your continuous support as always, and hope for an enlightening conference !

Prof. Dr. Mohamed Yusoff Abbas

About the Conference

Background

The success of the 1st National Conference on Environment-Behaviour Studies, InCEBS2009 held at UiTM Shah Alam, Malaysia, from 14-15 Nov 2009, inspired the organiser to organise future conferences beyond the nation. The **AcE-Bs**, an initial acronym for ASEAN Conference on Environment-Behaviour Studies, which targeted venues at ASEAN countries, was later extended to be held in Asian countries, thus the current acronym for the **Asian Conference on Environment-Behaviour Studies**.

AcE-Bs conferences main theme address Environment-Behaviour (E-B) issues affecting the Asian communities living in both Asian and non-Asian countries. E-B issues affecting non-Asian communities are also most welcome.

Prior to 2014, AcE-Bs was organized by cE-Bs (Centre for Environment-Behaviour Studies, FSPU, UiTM, Malaysia, supported by AMER (Association of Malaysian Environment-Behaviour Researchers) and ABRA (Association of Behavioural Researchers on Asians). Post-2014, with AMER and ABRA being formalised, cE-Bs took the supporting role. AMER's Event Management & Services (emAs), a private entity, manages all of AMER's events, under emAs (Emas Emas Resources).

Thus far, the AcE-Bs were organised as follows:-

- 9th AcE-Bs2021KotaBahru, Malaysia, 28-29 Jul 2021

- 7th AcE-Bs2016Taipei, Taiwan, 09-10 Apr 2016
- 6th AcE-Bs2015Tehran, Iran, 21 – 23 Feb 2015
- 5th AcE-Bs2014Seoul, South Korea, 25-27 Aug 2014

International Organisation

ABRA

Association of Behavioural Researchers on Asians / Africans / Arabians

<https://amerabra.org>

Upon tremendous responses shown by researchers involving behavioural studies on Asians living in both Asian and non-Asian countries presented during the AcE-Bs / AicE-Bs conferences held since 2009, the formation of ABRA, an international organisation was considered necessary and timely.

To propel further internationalisation, the cE-Bs had during AicE-Bs 2010 Kuching, Malaysia, 7-9 December 2010 mooted the idea for the formation of an international organisation, ABRA (Association of Behavioural Researchers on Asians). Following the successful registration of AMER, and further interest expressed by representatives from several countries during the recent AcE-Bs 2012 Bangkok, a formal meeting amongst ABRA representatives was held during AicQoL2013Langkawi.

ABRA was finally formalised as an international research organisation by the Malaysian Registrar of Societies on 20th October 2014, with AMER as the Permanent Secretariat, headquartered in Shah Alam, Malaysia.

Since Jun 2020, ABRA is represented in 10 countries worldwide namely, Egypt, India, Indonesia, Iran, Malaysia, Morocco, Nigeria, Saudi Arabia, Taiwan, and Turkey. One benefit in becoming an ABRA member is the huge discount given to members who attend forthcoming activities to be organized. The discount given to members would more than pay back members' annual fees.
