## **Assoc. Prof. TPr Gs. Dr Halmi Zainol**

obtained his BSc. (Hons) Town and Regional Planning in 1988, PG Computing Cardiff, in 1994, Master's degree (MSc in Project Management) in 1995 and later obtained his doctorate degree (PhD in Project Management) in 2012.

He joined Universiti Teknologi MARA in 1989 and has more than 30 years of experience teaching in the Faculty of Architecture, Planning and Surveying. In 2001, he was promoted to Associate Professor. He is also a registered member of the Board of Town Planners Malaysia and Institution of Geospatial and Remote Sensing Malaysia. He was the Head of Faculty at the Faculty of Architecture, Planning and Surveying (FSPU) in Universiti Teknologi MARA (UiTM), Perak Branch, Perak. He was also a chairperson for Professional Seminar in 2017 and 2019.

With a deep interest in academic writing, he has produced four academic books and two chapters in the book throughout his career. In 2000, he wrote a book that focused on a basic understanding of town planning. In 2009, another book was produced that concentrated on elements in town planning such as modern town planning, housing, recreation, geographical informative system, transportation, urban park and conservation of cities. The latest chapter in the book was published in 2021 published by Cambridge Scholars Publishing, UK. He has also published more than 40 articles in professional and academic journals.

He was appointed as an external examiner for post-graduate studies from several universities shows his capabilities and recognition in his area of expertise. His research has been awarded the Best Paper at the 4th International Building Control Conference (IBCC) 2016 in Kuala Lumpur and top 10 Best Paper at AMERABRA International Virtual Conference on Environment-Behaviour Studies (AIVCE-BS-1) 2020. He was elected as International Scientific Committee and Editorial Board of Asian Journal of Environment since 2016 and Scientific Committee of Malaysian Journal of Sustainable Environment (MySE), Malaysian Citation Index (MyCite). He has been appointed as a reviewer for National Grants, International and Professional journals. He is involved in research and consultancy work. Among the consultancy projects was 'Pulau Besar, Melaka Master Plan', which was completed in 2021.
