Acknowledgement

The Association of Malaysian Environment-Behaviour Researchers (AMER), the main organiser, with the co-organisers, ABRA (Association of Behavioural Researchers on Asians/Africans/Arabians) and cE-Bs (Centre for Environment-Behaviour Studies), Faculty of Architecture, Planning & Surveying, Universiti Teknologi MARA, Malaysia, congratulate the many that made this conference possible. In particular the paper contributors, International Scientific Committee / Editorial Team, Breakout Chairs, and the distinguished Keynote Speaker.

Thank you all !

Foreword

The GameChanger 2021 (#GC2021) initiated commencing 2021 is to increase our publications to be contributed by multi-national authors. We believe the initiative would tremendously increase the chances for those publications to be indexed by more reputable indexing bodies, such as Scopus. As such, commencing 2021 only multi-national authored contributions shall be accepted for publications.

Anticipating it could be a daunting task among authors to include other nationals as co-authors from abroad, a list of global potential co-authors was displayed on the conference web. It is hoped that the authors could network, ultimately contributing their papers together.

This 9th Asian Conference on Environment-Behaviour Studies, AcE-Bs2021, our 34th international conference to be organised, managed to attract an overall total of 57 numbers of abstracts. Out of the total, 12 abstracts were rejected due to non-compliance.

The #GC2021 initiative seemed to have now borne fruits. Of the 45 abstracts approved, authors from 17 countries contributed, namely from Australia, Brunei, Canada, China, Egypt, Hungary, Indonesia, Iraq, Japan, Malaysia, Pakistan, South Africa, Saudi Arabia, Turkey, United Kingdom, United States of America, and Uzbekistan.

The abstracts were finally transformed into 31 approved papers. The papers approved were simply grouped generally under 16 sub-categories, although quite a number could have been easily placed under more than one category. The top three categories in order of popularity involved the following environments: -

Commercial / Retail / Services Environment (CRSE) and Health / Healing Environment, both 4 papers each, and Design / Creative Environment (DCE), 3 papers.

Hopefully this conference will inspire and encourage more researchers to participate in our forthcoming serial conferences later this year, which shall include the following:-
5th AQoL2021 15-16 Dec 2021 (venue t.b.a.)

Thanks again for your continuous support as always, and hope for an enlightening conference !

Prof. Dr. Mohamed Yusoff Abbas

Chair

About the Conference

Background

The success of the 1st National Conference on Environment-Behaviour Studies, InCEBS2009 held at UiTM Shah Alam, Malaysia, from 14-15 Nov 2009, inspired the organiser to organise future conferences beyond the nation. The AcE-Bs, an initial acronym for ASEAN Conference on Environment-Behaviour Studies, which targeted venues at ASEAN countries, was later extended to be held in Asian countries, thus the current acronym for the Asian Conference on Environment-Behaviour Studies.

AcE-Bs conferences main theme address Environment-Behaviour (E-B) issues affecting the Asian communities living in both Asian and non-Asian countries. E-B issues affecting non-Asian communities are also most welcome.

Prior to 2014, AcE-Bs was organized by cE-Bs (Centre for Environment-Behaviour Studies, FSPU, UiTM, Malaysia, supported by AMER (Association of Malaysian Environment-Behaviour Researchers) and ABRA (Association of Behavioural Researchers on Asians). Post-2014, with AMER and ABRA being formalised, cE-Bs took the supporting role. AMER's Event Management & Services (emAs), a private entity, manages all of AMER's events, under emAs (Emas Emas Resources).

Thus far, the AcE-Bs were organised as follows:-

8th AcE-Bs2019Langkawiland, Malaysia, 18-19 Dec 2019

7th AcE-Bs2016Taipei, Taiwan, 09-10 Apr 2016

6th AcE-Bs2015Tehran, Iran, 21 – 23 Feb 2015

5th AcE-Bs2014Seoul, South Korea, 25-27 Aug 2014

4th AcE-Bs2013Hanoi, Vietnam, 19-22 Mar 2013

3rd AcE-Bs2012Bangkok, Thailand, 16-18 Jul 2012

2nd AcE-Bs2011Bandung, Indonesia, 15-17 Jun 2011

1st AcE-Bs2010Kuching, Malaysia, 07-08 Jul 2010

9th AcE-Bs2021KotaBahru

Further to our first hybrid (F2F + Virtual) conference, the 33rd international AicQoL2021BukitTinggi, Pahang on 17-18 Mar 2021, our 34th international conference, the WoS-indexed AcE-Bs2021 (9th Asian Conference on Environment-Behaviour Studies), was supposed to be held at Perdana Kota Bharu, Kelantan, Malaysia from 28-29 Jul 2021. However, the prolonged uncertainty of the Movement Control Order (MCO) due to the Covid 19 pandemic, had led us to organize it virtually from the Faculty of Architecture, Planning & Surveying (FSPU), Universiti Teknologi MARA, Shah Alam, Malaysia.

The AcE-Bs2021 focuses on Environment-Behaviour issues affecting the Asian/African/Arabian communities in both their countries and nons. Issues affecting other communities are also most welcomed.

AcE-Bs2021 is organised by AMER (Association of Malaysian Environment-Behaviour Researchers), ABRA (Association of Behavioural Researchers on Asians/Africans/Arabians) and cE-Bs (Centre for Environment-Behaviour Studies, Faculty of Architecture, Planning & Surveying, Universiti Teknologi MARA, Malaysia. The event shall be fully managed by AMER's subsidiary, emAs (AMER Event Management & Services) under emAs emAs Resources.

The e-IPH, UK shall publish both the Abstract Book (eISBN 978-1-913576-03-5), and the Proceeding in the E-BPJ (Environment-Behaviour Proceedings Journal), eISSN 2398-4287, 6(17) Aug 2021, issue. Currently, the E-BPJ is indexed in Clavirate Analytics Web of Science (WoS) and ScienceOpen. Extended versions of the selected papers shall be published as freely accessible articles, online, in our other international journals – AjBeS, AjQoL, ajE-Bs or jABs, @ no publication charges.

Continuing with our Game Changer 2021 initiative, #GC2021 – only *internationally-authored papers shall be considered for publications in the Proceedings (E-BPJ), and in our other four international journals. (*non-internationally-authored papers are subjected to an additional 30% surcharge of the Registration Fees).

Conference Tracks

Paper contributions involved the following environments (though not exhaustive):-

Children / Youth Environment;
Climatic Environment
Commercial/Retail/Services Environment;
Communication / Social Media Environment;
Community Environment / Social Psychology;
Construction Environment;
Design & Creative Environment;
Educational / Learning Environment;
Elderly Environment;
Energy Environment;
General Psychology;
Green Environment;
Healthcare / Healing Environment;
Hospitality / Tourism Environment;
Inclusive Environment;
Landscaping Environment;
Legal Matters;
Leisure / Recreational / Sports Environment;
Local Cultural / Heritage Environment (Food included);

Management & Production Environment;
Natural Environment;
Policy Matters
Public Sector Environment,
Residential Environment;
Rural Environment / Rural Psychology;
Sustainable Environment;
Technology-related Environment;
Transportation / Travelling Environment;
Urban Environment / Urban Psychology;
Workplace Environment

International Organisations

AMER (ABRAMalaysia)

Association of Malaysian Environment-Behaviour Researchers

<https://amerabra.org>

AMER was formally registered in Malaysia on 27th January 2012. The establishment of AMER (ABRAMalaysia), the membership of which is also opened to non-Malaysians, was to meet amongst others the following objectives:-

- 1) To represent Malaysia as the nation's official NGO on matters pertaining to the research and consultancy works that involve all Environment-Behaviour studies (EBS).
- 2) To widen networking and co-operation in the field of EBS with institutions, establishments and universities both nationally and internationally.
- 3) To create the nation's database in identifying, registering, administering and coordinating Malaysian researchers involved in the research and consultancy works that involve EBS
- 4) To be the nation's hub and source of reference in all matters pertaining to EBS
- 5) To organize nationally and collaborate internationally, dialogues / seminars / conferences in EBS
- 6) To obtain and distribute research grants to registered members.
- 7) To conduct research and consultancy works that involves all EBS
- 8) To provide expert services in all matters pertaining to EBS
- 9) To highlight local/international events /conferences to registered members for their participation.
- 10) To disseminate research findings and knowledge gathered in the field of EBS in the form of published materials and also electronically
- 11) To produce future researchers who shall be experts and competent in all matters pertaining to EBS.

ABRA

Association of Behavioural Researchers on Asians / Africans / Arabians

<https://amerabra.org>

Upon tremendous responses shown by researchers involving behavioural studies on Asians living in both Asian and non-Asian countries presented during the AcE-Bs / AicE-Bs conferences held since 2009, the formation of ABRA, an international organisation was considered necessary and timely.

To propel further internationalisation, the cE-Bs had during AicE-Bs 2010 Kuching, Malaysia, 7-9 December 2010 mooted the idea for the formation of an international organisation, ABRA (Association of Behavioural Researchers on Asians). Following the successful registration of AMER, and further interest expressed by representatives from several countries during the recent AcE-Bs 2012 Bangkok, a formal meeting amongst ABRA representatives was held during AicQoL2013Langkawi.

ABRA was finally formalised as an international research organisation by the Malaysian Registrar of Societies on 20th October 2014, with AMER as the Permanent Secretariat, headquartered in Shah Alam, Malaysia.

Since Jun 2020, ABRA is represented in 10 countries worldwide namely, Egypt, India, Indonesia, Iran, Malaysia, Morocco, Nigeria, Saudi Arabia, Taiwan, and Turkey. One benefit in becoming an ABRA member is the huge discount given to members who attend forthcoming activities to be organized. The discount given to members would more than pay back members' annual fees.

International Publications

<https://www.e-iph.co.uk>

All our journals published by the e-IPH, UK with the ISSN obtained from the British Library, UK are international multidisciplinary Open Access Journals which adhere to the BOAI definition of open access: that users have the right to 'read, download, copy, distribute, print, search, or link to the full texts of these articles'. The journals published double-blind peer-reviewed, original research articles relating to issues affecting the Asian communities living in both the Asian and non-Asian countries, worldwide. Successful articles published had attained an equivalent minimum score of 90% for the English Language and Similarity Index (Plagiarism) of not more than 15%, based on Grammarly.

Environment-Behaviour Proceedings Journal (E-BPJ)

<https://ebpj.e-iph.co.uk/index.php/EBProceedings>

The E-BPJ is currently indexed in Clarivate Analytics Web of Science (WoS), and SCIENCEOPEN. It publishes original research conference papers relating to Environment-Behaviour, General Psychology, and Quality of Life issues. The selected papers published were presented at the multiple serial annual international conferences held worldwide since 2010, jointly organised by the Association of Malaysian Environment-Behaviour Researchers (AMER), Association of Behavioural Researchers on Asian (ABRA), and Centre for Environment-Behaviour Studies (cE-Bs), Faculty of Architecture, Planning & Surveying, Universiti Teknologi MARA (UiTM), Malaysia.

Asian Journal of Behavioural Studies (AjBeS)

<https://ajbes.e-iph.co.uk/index.php/ajbes>

Asian Journal of Environment-Behaviour Studies (ajE-Bs)

<https://aje-bs.e-iph.co.uk/index.php/ajE-Bs>

Asian Journal of Quality of Life (AjQoL)

<http://ajqol.e-iph.co.uk/index.php/ajqol>

Journal of ASIAN Behavioural Studies (jABs)

<https://jabs.e-iph.co.uk/index.php/jABs>

All the journals above are currently indexed in the SCIENCEOPEN. The AjBeS focus on human behavioural issues; the ajE-Bs on Environment-Behaviour issues; the AjQoL on Quality of Life issues; and the jABs on General Psychology issues.

Articles to be published should be about 4,500 words (excluding References) to be submitted as per the Journal Template (which includes payment instructions), together with the Publication Agreement and non-refundable Article Submission Charge and the Article Processing Charge (Publication Fees) @ USD300 per article, inclusive of the double-blind peer-review, for successful article to be published. Commencing 2019 all the journals are published three times annually.
